Dear Ms. YANGIN

I am delighted to learn that Istanbul is being proposed as a venue for the "16th World Congress on Human Resource Management". It will be a unique experience for Istanbul, as Turkey's most populous city and its cultural and financial center, bridging Europe and Asia both physically and culturally.

Istanbul is an ideal business, tourism and congress centre with its advanced tourism infrastructure, transportation facilities, conference, exhibition and social event opportunities. The people of Istanbul with all of our civil foundations and institutions will be very happy to show our hospitality to the participants of your organization.

In conclusion, we would like to underline that Istanbul with its considerable experience within the scope of international conferences, is more than ready to host "16th World Congress on Human Resource Management" on 2016.

On this occasion, I would like to reiterate my support for the successful realization of this event and wish you success in your work.

Best regards.

Vasip ŞAHİN
Governor of Istanbul
